

The Most Trusted Name in Garment Care

Follow these simple steps and save loads of time!

1. Request a Soapy Joe's **New Registration Bag** from the front desk, and place your garments in the bag. (Do not mix wash/fold laundry and dry cleaning. Use separate bags if you are submitting both and make sure to label whether you are submitting dry cleaning or wash/fold.)
2. Fill out the form on the other side of this card and place it in the bag with your garments.
3. Drop your Soapy Joe's garment bag, with order form, at the front desk.
4. Return two business days later to pick up your freshly cleaned clothes! You will also receive a customized bag and name tag to use for all your future orders.
